Summer Insights 2017

Previously published as *Quest, Insights* is a new replacement for the seasonal liturgical booklet used by small Christian community groups. In the past, the Archdiocese of Hartford supported the publication through the Pastoral Office of Small Christian Communities which has been closed due to financial considerations. *Insights* offers the same format for the same price geared to inspire and illuminate thought and contemplation. Initially, the book will only be available for purchase by the season. A subscription option will be available in January, 2018.

Summer Insights 2017 (Cycle A) edition covers 16 weeks from May 21st to September 3rd, 2017. Each weekly unit offers the elements for a complete small community session:

- Suggestions for creating a reflective environment
- Opening and closing prayer
- Focus questions relating everyday life to scripture
- Commentary on the Sunday lectionary readings
- Experience-based faith sharing questions
- Ideas for individual and group response in action
